

Harbor City Gets Park After 20 Years

Harbor City got a park Wednesday.

After some 20 years of effort, citizens of that municipality saw their efforts pay off as the Harbor City Recreation Center at 1301 Lomita Blvd., was formally dedicated.

During the program, dignitaries spoke, but the best proof of the need of the facility was visible in the park itself where happy children thronged on the rocket and other playground fixtures.

Attending the dedication were civic and business leaders from Los Angeles and Harbor City. Guest speaker was Fifteenth District Councilman John S. Gibson Jr.

William Frederickson Jr., general manager of the City Recreation and Parks Department, presided at the dedication program, assisted by Ross A. Cunningham, superintendent of recreation for the department.

The newly developed 8.8 acre area includes a baseball diamond, basketball, volleyball and paddle tennis courts, an apparatus area, children's play areas, a sun shelter and a 65-car-capacity parking lot.

Charles F. King, "Mr. Harbor City," who accepted the park for the city, told of the efforts of himself and Harbor City residents to secure the park during a long period of delay over land acquisition and other problems.

Architect James Stewart of San Pedro presented plans for a unique clubhouse to be built at the park. To be built in the form of a circular seashell, the facility would cost about \$80,000. Stewart said the plans have been approved by the parks department and final action is imminent.

Fiesta Badge Sale Opens

Booster Badges for the 1963 Fishermen's Fiesta are now on sale throughout the harbor area.

"We'd like to see all local residents wearing their Booster Badges from now on until the Fiesta starts Sept. 27," announced Nick Trani, president and general chairman of Fishermen's Fiesta, Inc.

Purpose of the badges is two-fold:

To stimulate interest in the extensive preparations necessary to stage Southern California's outstanding fall spectacle, and;

To help raise needed funds to finance Fiesta activities.

The Booster Badges are on sale for \$1 each and all monies collected will go into the Fiesta fund.

They can be purchased in Wilmington from Sociedad Civica Mexicana Inc., Wilmington Benigno Orona, 1302 E. L St.

Annexation By Gardena Now At Standstill

Possibilities of Gardena annexing any portion of the Los Angeles "shoestring strip" have apparently reached a standstill.

Councilman Robert R. Kane, who has been leading the Gardena move, said yesterday he is not ready to advance farther for annexation.

He is waiting for answers to letters sent to residents and organizations in the area, Kane said.

Councilman John L. Gibson of Los Angeles has said through his representative, Joe Goss:

He (Gibson) is "not in favor of de-annexing any property to Gardena from the 'shoestring strip' or from anywhere else."

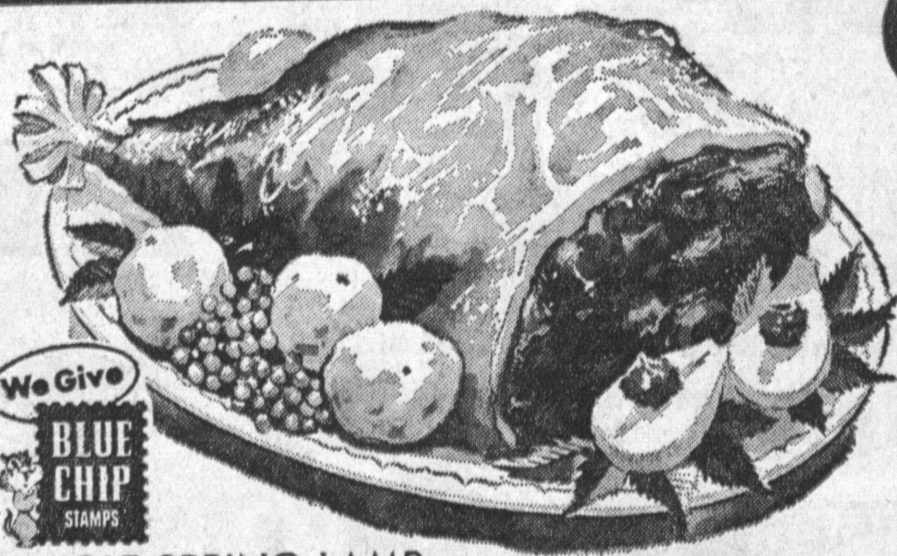

The territory in question is bounded by El Segundo and Artesia Boulevards from Vermont Avenue to the Harbor Freeway. It covers an estimated 121 acres with approximately \$1.5 million in assessed valuation.

DON'T BE LEFT

Avoid left turns as much as possible in congested or fast-moving traffic, a turning car is a "sitting duck" for rear end collisions.

RESPONSIBILITY

Children should be taught the same responsibilities on bicycles as motorists have in cars. Bicycle riders must give hand signals, obey stop signs and keep to the right, just as do motorists.
